MEMORANDUM FOR: Assistant Director/National Estimates
 Assistant Director/Current Intelligence
 Assistant Director/Research and Reports
 Assistant Director/Scientific Intelligence
 Assistant Director/Collection and Dissemination
 Assistant Director/Operations

SUBJECT : Clark Survey

1. As a result of final discussions with Colonel Miller and with the concurrence of Mr. Kirkpatrick, I am undertaking preparation of specific recommendations that we feel might properly be included in the report of Colonel Miller's task group to the Clark Committee for ultimate inclusion in the Hoover Commission report.
2. Though I still have available the suggestions submitted last July, I believe it would be wise for each of you in the light of the discussions you have had with Colonel Miller and his people to formulate anew your thoughts in this regard.
3. I would appreciate having these in my hands by noon 6 January and will devote our luncheon meeting on the 7th to consolidating and finalizing them.
4. Brevity and precision should be stressed as there will be opportunity later to pull together supplemental material if desired by Colonel Miller.
5. Such questions as the need for a new building and legislation affecting CIA personnel generally need not be covered as submissions have already been made on these items by the DCI.
